## California Performance Review

- Created by Governor Schwarzenegger to conduct a focused examination of state government to bring about a 21<sup>st</sup> Century Government that is:
  - Innovative and Dynamic;
  - A Better Provider of Services, More Responsive, More Accountable to the People;
  - More Efficient, Effective and Transparent; and
  - Takes Advantage of New Technologies and New Ways of Doing Business

## Education, Training and Volunteerism Team

- 14 team members - well-educated team with significant experience in education and training
  - 50% of the team have advanced degrees
  - 6 worked for California education agencies in a policy, program, or research capacity
  - 3 worked in workforce training or development programs
  - 2 are elected School Board Members
  - 2 have been K-12 school teachers
  - 5 have been instructors in postsecondary education

## The Process

- Today's hearing is the fourth in the series and we look forward to the people's input to help guide California.
